We Buy Empties

We are continuously in need of virgin cores to meet our production demands. This presents an opportunity for you to make top dollar on your virgin inkjet cartridge inventory. So, if **You Got It... We Want It!**

Instructions: Simply plug in the quantity below for each of the cartridges you have. Fill out your contact information at the bottom and hit submit. Then print out two copies of the page that follows and include one with your shipment and keep the other for your records. The following page will provide you with the address and contact information to where you need to ship your empties.
